CALLING ALL GP PRACTICES:

Are you looking to recruit new GPs?

Consider joining us at our first
recruitment fair, with opportunity to
discuss (on a one to one basis) job
opportunities with newly qualified GPs
and GPs looking to change their current
work situation.

Each practice will be seated at a table
around a large room and interested
candidates will be given a 10 minute slot
to speak with you about working in your
practice.

Following the event, GPs who wish to
explore options further will be directed to
the relevant practices.
