Salaried GP Between 3- 8 sessions per week

We are looking for a Salaried GP with a willingness to participate fully in all aspects of surgery life. The position can be with a potential view to Partnership if the applicant wishes.

£8800-£9750 a session negotiable based on experience, roles and provision of clinic time outside normal contracted hours.

We are looking for a motivated, flexible and hard-working salaried GP, who would like to join our team of 2 GP Partners and 2 Salaried GPs and full time Advanced Nurse Practitioner and Clinical Pharmacist 3 days a week, who also is managing prescribing from home on the other 2 days per week.

Thursday we provide protected team lunch and minimal home visits

The position is to commence as soon as possible.
