Salaried GP with a view to Partnership – 6 sessions a week

We are seeking a Salaried GP for 6 sessions per week over 3 days but can be flexible.

The candidate would be expected to take part in all the duties and share the on-call rota. The candidate should be committed to clinical excellence, highly motivated, proactive and wanting to make a difference as a good team player.

We are a friendly, enthusiastic and well organised practice on the Wirral with a list size of 4,700 patients. We currently have three GP partners, one Salaried GP, a team of three Practice Nurses and a full administrative and management support team.

We work closely within our Network and Federation and we also have a Clinical Pharmacist, Social Prescriber and Physicians Associate.

We have been rated 'Good' in all areas by CQC and we continually embrace change and new technologies.

We are looking ideally at candidates to start as a salaried GP starting April 2021 with a view to a Partnership being offered in the future.
